REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest determining the intensity of a first spectral interval corresponding to the gas component of interest and the intensity of a second spectral interval, different from the first spectral interval, said second spectral interval corresponding to the integral emission, to the emissions of a second component of the gas mixture, or the emission of said first gas component in combination with the other elements recited in independent claim 1.

The prior art of record does not disclose or suggest wherein the means for locally applying rapidly alternating high voltage and the lens are fitted together to form a separate sensor unit in combination with the other elements recited in independent claim 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
